

To Members of the Labor Committee:

My name is Karin Smith, HR Manager at the Scientific Games located in New Haven, CT.

I am writing to voice my opposition to SB-63, which would require Connecticut employers to provide paid sick leave. This proposal will substantially increase our business costs and could force us to reevaluate the other benefits we provide our employees.

In a time when the cost of doing business is increasing, and the revenue that is generated is decreasing, forcing us to provide paid sick leave, will require us to cut costs by freezing wages or reduce the number of hours of the workforce.

We urge you to reject this proposal and work with the business community to control labor and workplace costs in Connecticut. Thank you.

Sincerely,

*Karin J. Smith*
